

Team NFDC at the TCS London Marathon 2024

Dear Members,

The NFDC is pleased to announce that we have secured places for the 2024 **TCS London Marathon** taking place on Sunday 27th April 2025.

Members are now invited to nominate a maximum of two runners to join the NFDC Team. All runners must be put forward by an NFDC Member Company who will support the runner in the fundraising process.

The Member Company shall accept responsibility for all funds raised by the runners committing to a minimum of £2,000.00 per runner, which will be split between the NFDC's chosen charities.

The chosen charities for 2024 are:

- Sue Ryder
- Snowdon Trust

Each runner will be allocated a charity from the above list. The runner may then set up a JustGiving page to which donations can be made. Alternatively, they may pay their sponsorship directly to the NFDC.

Any monies raised above the £2,000.00 requirement, can be distributed to the runner's charity of choice.

Registering Your Runner (Places aren't guaranteed).

Register your interest by completing the application form and returning to the NFDC by no later than **Friday 16th August 2024**. **Any applications received after this date will not be considered and all allocations will be made on a first come – first served basis.**

All registrations must be sent from a Member Company email address and endorsed by a Senior Manager or Director.

The NFDC will inform successful applicants by **Friday 16th August 2024**.

PLEASE NOTE – *In no circumstances should you be successful can you give your place to another runner. Should this happen then you will be disqualified from any chance of entering the London Marathon with us in the future.*
